Queen's Message

Fellow Officers and Ladies of the Household,

Fall has been quite a whirlwind! PQ Sharon Norvell and I had the pleasure of attending six Supreme Queen Visits around the region and were also joined by PQ Marian Trapp, PQ Judy Peak, and Pr. Royal Robbi Redman for some of them. It is always such a joy to visit other temples, see old friends, and make new friends. PQ Sharon and I also visited the new Lexington Shriners Hospitals for Children Medical Center, adjacent to the University of Kentucky Medical Center. Not only is this new facility on the cutting edge of technology and research, it is a warm, cheery, and welcoming environment in which to treat these special kids.

Thank you to everyone who helped with the 4-H Fair Concessions, worked or attended our annual Fall Card Party, and supported our Wine and Whiskey Tasting events and annual BBQ sale. All were successful fundraisers. We are on track to surpass our previous year's temple fundraising efforts!

At our August ceremonial, we welcomed eight new Princesses to Isis Temple, and it's been so exciting to see several of them getting involved quickly in our activities and sessions. On October 28, we were honored to welcome Supreme Queen Karen L. Keuther to her official visit to Isis Temple. We initiated seven more new Princesses that day! Our 15 new members are Sandra Andrews, Melissa Brenner, Penny Campbell, Sharon Carpenter, Deb Cissna, Theresa Cravener, Megan Davis, Heather Johnson, Kris Kaelin, Toni Klueg, Heather Laflen, Connie Mabee, Donna Redden, Jamie Tackett, and Amy Word-Smith. Please say hello to these ladies when you see them and encourage them to get involved in any way they can. Remember, we have another ceremonial scheduled for the evening of our February Stated Session. Who do you know that you'd like to propose for membership?

It was great to see so many smiling faces at our September Stated Session. We were happy to honor our Past Queens and 50-Year Members. In November, we honored Founders Day with a fun piece of history about our sewing club from PQ Nancy Markham. I'd like to extend a special thank you to PQ Jean Rickard and PSQ Sue Layman for making our fall receptions and Supreme Queen visitation banquet so lovely. And thank you to the entire SQ Visit Committee for all your hard work and preparations for SQ Karen's visit.

Queen Krista Williams

This has been such an exciting time in our temple. We have been doing so many fun and exciting fundraisers like our Fall Card party. We also had our Supreme Queen Official visit, where we experienced so much fun and fellowship. We welcomed the Supreme Queen at the Tropicana Hotel on a cold rainy day, but we made the best of it. We enjoyed the next day with our beautiful Ceremonial where we welcomed seven new Princesses. It was a beautiful Ceremonial. We had our banquet following with speakers from Hadi Temple and the Supreme Queen Karen L. Keuther. I got to sit next to Queen Krista and her noble Steve, which was a lot of fun and was a great experience I was able to travel with Queen Krista to Neith Temple in Madisonville, KY to support my fellow "Honey Bees". We had a great visit.

We have a lot of other exciting events coming up this year and I am so excited to be a part of them. Don't miss our annual Christmas Party right after our December 4th Stated Session.

If you have any questions or concerns about anything, please feel free to reach out to me I am always here to help.

As always, Nile love

Ladies of the Household,

This summer has passed so fast and a chill is in the air. I hate that I missed Nile Card Party. I had a conflict, but I did stop in and said hello. I heard that it was very successful. We have seven new Princesses now. The Ceremonial was beautiful and everyone did a great job. The Supreme Queen was very down to earth and put everyone at ease. The Egyptian Band and Isis Temple Patrol units performed beautifully. Thank you to all who attended; it wouldn't have been the same without you there. Hope you all have a Happy Thanksgiving.

Hello Ladies,

We have several sick and shut-ins that need our prayers. I'm glad to say that many are on the road to recovery.

Our condolences go out to the family of Janice McKinney. She will be greatly missed; she was a great lady and a true Daughter of the Nile.

Christmas is just around the corner; let us share our Nile love with our shut-ins. I will discuss this at our Nile Christmas Party on December 4th.

Please call me for any prayer request, sickness or distress.

Making a Difference

Making a difference – That's what it means to be part of Daughters of the Nile. This year we should be very proud of the opportunity to make a notable difference to the lives of the patients at the St. Louis Hospital.

In September, we were contacted by Noble John Nelson who serves on the Board of Governors for the St. Louis Hospital regarding a special funding campaign to raise money for a new EOS Scanner. This scanner provides life-size pictures of the patient's full skeleton. It allows the doctors to view 3-D models of the patient's posture and joint orientation from any position that is comfortable for the patient (standing or sitting).

The estimated cost of this scanner will be in the amount of \$885,000.00. The hospital is not allowed to use their annual budget money for new radiation technology. Because of this regulation, the funding had to be sought elsewhere.

This is where we come in. We were approached with an opportunity to be part of this fundraising campaign to bring this life-changing technology to the kids. Our by-laws state we can only send donations to the Daughters of the Nile Foundation, but the Foundation has recognized many members desire to assist the Shriners in the special funding projects of the hospitals. The Foundation allows us to make a donation through them earmarked for a special project and forwarded to the designated hospital.

Our temple began discussions regarding our annual donation and the membership's feelings on earmarking this year's donation for the St. Louis EOS Scanner. The suggestion was met with enthusiasm. At the November 6, 2017 Stated Session our membership voted to earmark a total donation from our Temple in the amount of \$5,500.00. Way to go, ladies! Just imagine the cutting edge care "our kids" will receive from this wonderful piece of medical equipment. This is what our hard work and fundraising is meant for – Making a Difference! Let's continue to work together to do more in the future.
