## Queen's Message

Fellow Officers and Ladies of the Household,

Well, another year has begun. I cannot believe I'm Queen already! It's very nerve-wracking, but I'm sure I'll survive...everyone else has. (LOL) First, I want to thank all my officers for being at Installation. It was a beautiful ceremony, and everyone was gorgeous.

The Installation ceremony was held March 23, 2019, at Hadi Temple. It is a day I will never forget. My daughter came in from Colorado to surprise me, and boy, did she ever! Second, I would like to thank my Installing Officers. They did such a great job. I especially want to thank PSQ Sue for investing me with the crown. She will never know how very much that meant to me.

Thanks go out to the Patrol, Egyptian Band, and Dancers and Pageantry for their performances. They did a great job, and everyone enjoyed them. I heard several guests talking about how good they all were. You all made me proud. Also, thanks to Nancy, Sylvia, and Millie for the reception. Guests were talking about how delicious the food was. You three always do such a great job.

Our first Stated Session of the Nile year was held April 1 at Hadi Temple, where the unit officers were installed. On April 9, I will be traveling to Princeton Nile Club for their installation of officers. If you would like to attend, contact Pr. Royal about carpooling.

Our SQ visitation is early this year. It is Monday, July 8, at 7 pm at Hadi Temple. The banquet will be at 5:30 pm in the Red Fez. I hope you will plan on being there if at all possible. To the officers, let's try to memorize our parts. That goes for me too.

## Princess Royal Casey Wonders

Ladies of the Household,

First, I want to thank you for putting your faith in me and letting me continue this wonderful journey. The installation on March 23rd for Queen Cheryl was a great event! Thank you to all who took time to attend and celebrate our new Queen with us. Also, thank you for all the donations over the last year. We were able to send more than 2,100 items to the Shriners Hospitals for Children in the 2018-2019 year. Keep the donations coming this year, ladies! If you would like to become more involved, please look into joining one of our units! Enjoy the lovely Spring weather, ladies!

## Princess Tirzah Karla Goff

Greetings, Ladies of the Household!

Another year came and went; they go by so fast anymore. I would like to say thank you very much for the Stepping Stones and items in our officer bags at the Installation ceremony. It was great to see so many attendees and so much support from the Hadi Divan.

As Princess Tirzah, I would like to assemble makeup bags and toiletry bags for the teenage patients, along with the other donations. Remember your can tabs and Box Tops for Education!

## Princess Badoura Kathy Stewart

Ladies of the Household,  
Congratulations to Queen Cheryl and all the 2019 officers. Thank you to the Ceremonial Assistants and Installing Officers for your dedication and hard work to ensure a beautiful installation ceremony, one enjoyed by many guests and Hadi nobility.

It is a great honor and pleasure to serve as Princess Badoura. I look forward to representing the office in our local temple and at the Supreme Session. While preparing for the duties, I've learned that in ancient times, Princess Badoura, married to Prince Cau Moral Zoman, was known for her gracious hospitality, as well as the entertainment that took place in her palace. In Daughters of the Nile, Princess Badoura is the one who greets new candidates and brings them into the household.

As you know, the ritualistic work of our organization and the officers portrayed in our ritual have an enriched history and significant meaning. As your time permits, please consider attending Stated Session to participate in the ritualistic work that makes Daughters of the Nile a beautiful order. The lessons taught by the Ladies in Waiting teach us so much that we can apply in our daily lives. I also want to encourage you to get involved in the fundraising activities to benefit the Daughters of the Nile and the Shriners Hospitals for Children.

Nile love and hugs,  
Kathy Stewart, Pr. Badoura

# Mentoring Is Key

One of the main ingredients in a successful Temple is MENTORING. With mentoring, you increase your knowledge and enthusiasm for wanting to get involved in the different aspects of the organization, and you want the world to know just how great the Daughters of the Nile are.

## Enthusiasm Breeds Recruitment

When you increase the enthusiasm of a new member or member of years, you increase your membership, for that lady brings in the proposals for your Temple.

## Mentoring Makes Friends

Getting to know your new members increases your social network. Maybe even being introduced to new hobbies or interests. Mentoring works both ways. It's a learning experience for both parties.

## Mentoring Increases Retention

It only makes sense that the more you get involved, the more you want to be there. The units are a great place to keep the interest going. They are the FUN part of Daughters of the Nile, which keeps us young at heart.

## Mentoring Helps Reinstatement

Being a mentor or friend can help bring back members who have lost interest or are in need of maybe a ride to and from the Stated Sessions or other events held by the Temple or units.

Mentors have stated that being a mentor enabled them to reflect on their own behaviors and make better decisions. As a result, the mentors believed it had inspired greater motivation for achievement and caused them to re-evaluate their own goals.
