Queen's Message

Fellow Officers and Ladies of the Household, During our summer off we had several fun activities. We had the picnic at my house with about 20 in attendance. Everyone brought a covered dish and we had barbecued pork. The food was really yummy, and everyone had a good time.

We had a new event with beer tasting at Carson's Brewery. I was late getting there but didn't make it before it was over. Most people had already left except for diehards (LOL!). It went over so well we will probably have another one next year.

We've had two meetings since we've been back from summer break. Our October Stated Session was held during the week of the West Side Nut Club Fall Festival, and attendance was low at the session. I want to thank my pro-tem officers and the sideliners who were there. Most members were out because of working at the Fall Festival for their unit booths.

I'm sorry I missed the annual Fall Card

Party. My grandson in Colorado was to have surgery. Two days before the surgery they canceled it because he was sick with ear, nose, and throat problems and was running a temperature. I hope everyone had a good time!

At our November Stated Session, we will be honoring Founders Day and learning about the history of our order. I hope all will be able to attend. We will also be having our next ceremonial on November 18. I hope to see you there to welcome our new Princesses.

The holidays are quickly approaching also. Our annual Nile Christmas Party will be held immediately following the Stated Session on Monday, December 2. Thank you to the Patrol for hosting this year's party. I'm sure it will be lovely.

Princess Royal Casey Wonders

Hello, ladies!

It has been a busy year! Thank you all who came to our beer tasting event at Carson's Brewery on September 18. It was a beautiful evening, and it was nice to talk and catch up with members and friends at

this event. I look forward to the event again next year!

Thank you to all the ladies who worked hard at the Fall Festival supporting our units. It's hard work, but we have fun!

The Fall Card Party was held October 16. We had a wonderful turnout, with plenty of ladies playing cards and visiting! Lunch was delicious and so were the sweets from the sweets table. Thank you to everyone who volunteered to help run this event and to all who came out to spend the day with us!

I hope to see you at our November Stated Session on November 4, Ceremonial on November 18, and our December Stated Session/Christmas Party on December 2.

Princess Badoura Kathy Stewart

Ladies of the Household,

Greetings from Princess Badoura!

It's autumn—a time to celebrate and find contentment by paying attention to what we already have. I am thankful for the many talented and committed officers and Ladies of the Household who remain steadfast to our mission of helping children who receive care at the Shriners Hospitals for Children.

Autumn is a time when trees burst with color, the air smells of sweet pumpkin and sunburnt leaves, and the weather is just about perfect to enjoy fall outings with family and Nile friends. Autumn is a time to prepare for when days become shorter and nights are longer. It is our time to prepare to receive new Princesses during the November 18 Ceremonial. We continue to celebrate the new Princesses received in July during the Supreme Queen's Official Visit, and we look forward to the November Ceremonial.

I'm hoping all of you can attend on November 18 and not only welcome our new members but also renew your commitment to our beautiful order. Stronger bonds develop with whom we have frequent contact. When your time and abilities permit, get involved in one of our fundraisers and/or join a club or unit. It is a way to strengthen friendships and gain mental and emotional connection from our relationships with one another.

Make a difference!

Happy Holidays,
Kathy Stewart, Pr. Badoura

Greetings from the Egyptian Band

Sending a few notes your way...

We had our Annual Band Summer Picnic on August 26. It was a great time for fellowship; thank you to our committee for arranging. The auction was a lot of fun!

Our next band meeting is November 25 at 7 p.m. We are looking for a few new members. If interested, reach out to any Egyptian Band member for more information. It is a great time, and you do not have to be able to play an instrument to join in our fun. We are made up of a great group of ladies that enjoy time together, laughter, and friendship.

To everyone who signed up and helped out with our Fall Festival booth, THANK YOU!! It truly takes a village to get through Fall Festival week. I couldn't have done it without each of you. Everyone's teamwork and understanding as we made some changes was much appreciated.

I am looking forward to seeing everyone at the next meeting.

Education Corner: Founders Day

Founders Day for Daughters of the Nile is October 30, and we observe the occasion at our November Stated Session. Our Supreme Temple Bylaws require us to read the Proclamation printed in our Ritual and have a tribute of some sort marking the occasion. Daughters of the Nile was formed on October 30, 1913, for the purpose of character building among women and for social recreation and advancement. The organization was established in Seattle, Washington, which is where you will find Hatasu Temple No. 1—the very first subordinate temple to be chartered.

The founders agreed that the initiatory work should be different from any other organization. The river Nile in Egypt would overflow its banks every year, which would bring joy and peace of mind to the people because of the promise of abundant crops to the dry land. So, as well, this was the hope that the Daughters of the Nile would bring peace and happiness to the hearts of its members because of the high ideals and lofty teachings in the initiatory work.

Noble Charles Faustus Whaley, an author who was well known in the Masonic circle, was asked to write the Daughters of the Nile Ritual during the summer of 1913. It is ironic that only three years later, in 1916, the first funeral service of the Daughters of the Nile was given for Electa Whaley, Charles' wife.

The ritualistic work of our organization and the officers portrayed in our Ritual have an enriched history. Below are descriptions given in the history book of our organization about our line officers.

Queen: Queen Nefertiti is still remembered throughout Egypt's history as being the sweetest and most beloved Queen. She was the Royal Consort of Amenophis IV, also known as King Akhanaton, who had an enigmatic and reserved personality. So as Queen, she is a leader of her temple and should strive for proficiency in leading all of her Princesses. By doing this, there will be peace of mind for all. The Queen should always be considerate of others' feelings and never selfish.

Princess Royal: Princess Royal was born a princess of royalty in Egypt and was well known for her graciousness and charity. In Daughters of the Nile, Princess Royal has the privilege of presenting the new Princesses with the beautiful jewel of our order.

Princess Tirzah: Princess Tirzah is known as "the noble princess," because she had strong faith, even when she was thrown into a prison by the Romans because of her belief in Jesus Christ. She was kept in a dungeon that was filled with dampness and lacked light, and during this time she contracted leprosy. Because of her strong will and faith, she made it out of the dungeon to then be healed by Jesus Christ himself. In Daughters of the Nile, Princess Tirzah's closing lecture has many important lessons.

Princess Badoura: Princess Badoura was married to Prince Cau Moral Zoman and was of royal ancestry. She was known for her gracious hospitality as well as the entertainment that took place in her palace. In Daughters of the Nile, Princess Badoura is the one who greets the candidates at the outer door and brings them into the household.
