Queen's Message

Fellow Officers and Ladies of the Household,
I hope all of you are doing well, staying healthy and safe, and most of all staying positive! This is one crazy year! Just remember, we are always here if you need anything at all!

We were finally ready meet in person in September, with a virtual option to allow members join us both ways. It was different but nice to see members who do not live close to the temple join us. We honored our Past Queens for all their support, love, advice, kindness, etc. The list could truly go on for pages of this newsletter! Thank you, Past Queens, for all you do for the members and our temple. We are truly blessed to have you!

We also celebrated our 50-year members! Jean Rickard, PQ, was at the meeting to accept her 50-year pin and Stepping Stones to Happiness. Our other 50-year members who were mailed their pins are Carol McCormick, PQ (who was present via Zoom),

Beverly Basing, Joyce Schmitt, Doris Unsel, and Emma Lou Woods.

Thank you to everyone who joined us for the Nile 101 class on Sept. 23. Everyone learned something new! We were able to have the Isis Temple Family Picnic on Sept. 27, at Audubon Park. We had a nice turnout and some great food! Thank you to all who were able to come and join us.

Our October Stated Session was also an in-person meeting, the officers have done an amazing job with their ritualistic work and floor work this year. I could not be prouder of them! During the meeting, I was finally able (on behalf of Isis Temple) to present Jr. Past Queen Cheryl Stader with her beautiful Past Queen's jewel. JPQ Cheryl was also able to sign the Bible. It was a special moment.

Our St. Louis Hospital Equipment fundraiser has reached over \$3,700.00! Ladies, you absolutely rock! That is amazing! Just amazing!

Princess Royal Karla Goff

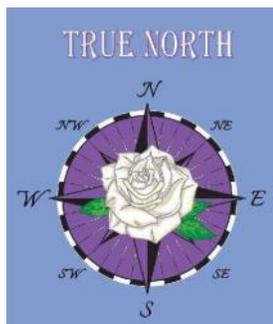

Greetings, ladies!

This has been a mixed-up year for everyone, and I would like to express how well our Queen Casey has handled the uncertainty of what is happening.

Our Princess Recorder, Joyce Giolitto, has decided she is going to retire from the Recorder position. She has done an excellent job, and we appreciate all the work she has done to keep our books in top form. We will need to find a replacement for her and would like to start training someone as soon as possible. If you are interested, please contact me.

Keep healthy and safe.

Princess Tirzah Kathy Stewart

Greetings from Princess Tirzah!

Autumn is truly a beautiful season. The colors are warm and vibrant, quite a contrast to the green of the summer season. The weather is cooling down a bit. Autumn represents the preservation of life and its necessities.

During this time, we prepare for the winter, farmers harvest their crops, and, for some, it is the best time for self-reflection, awareness, and mindfulness. It is a time for comfort to do what makes you feel warm and safe. The changing seasons point out the cycle of life in nature and humanity. Autumn is a time for thanksgiving to celebrate all the blessings of the past year. Honor all that you are and all that you have in your life. Let your light shine! I encourage you to take some time to reach out to someone in sorrow or distress to bear a part of their load. Strength shall be given you. Remember that we find gratitude from a recipient of our kindness.

As your time permits, please continue to support Isis Temple's activities, fundraisers, and fellowship. For more than 100 years, Daughters of the Nile have responded to the successes and challenges of the historical times. Our current time is no different...our support and dedication are needed! We stand steadfast and proud of our long association with Shriners International and continue to support the children receiving care at Shriners Hospitals for Children. I am collecting \$5 to \$10 gift cards to major retail stores and restaurants to send to the hospitals. You can mail them to me at 7601 E. Mulberry St., Evansville, IN 47715, or call me to make other arrangements. Please remember to write the dollar value on each card with a permanent marker. Your donation is much appreciated.

Stay safe! Wear your mask everywhere and all the time.

Nile love and hugs,
Kathy Stewart, Pr. Tirzah

PR. RECORDER JOYCE GIOLITTO

Hello Ladies,

I hope everyone is well. I want to talk with you about temple dues. There are a number of ladies who are not current on their dues, and reminders were sent out in October. Please check your dues card. If it is not current, contact me at isisno41recorder@gmail.com to discuss what it will take to bring you up to date. We want to help you continue your membership in our wonderful organization.

Nile Love,
Joyce Giolitto, Pr. Recorder

PR. CHAPLAIN SHANNON FOSTER

Hello Ladies of the Household,

I have been praying for all of you and hope that this year is going smoothly for you. I know that even though my life has been going well, at times I feel disconnected from my regular activities that connect me to my friends and family.

Life is different now, but different doesn't have to mean bad. We just have to find new ways to be joyful together. Reach out to each other by phone, mail, or electronically. We can still show our love for each other over a safe distance.

If you are having a bad time, please let me or another of your Nile sisters know. We are a family. Families stand with each other in the good and the bad times. For cards and calls to ladies in sickness or distress, contact me.

Nile Love,

Shannon Foster, Pr. Chaplain

September Stated Session Fun

We were so grateful to be able to gather together in person for our September Stated Session at Hadi Temple. Since we were unable to have a live Installation of Officers this past spring, the officers of Isis Temple No. 41 took the opportunity in September to present Queen Casey's Star Wars-themed addenda and present her with a gift from all the officers and Ceremonial Assistants. And since the only thing Queen Casey loves more than Star Wars is her Converse sneakers, several officers wore their "Chuck Taylors" in honor of our fun-loving queen.

We also took a lovely "serious" photo of our officers. Pictured left to right below are: Debbie Bryant (Pr. Musician), Karla Goff, PQ (Pr. Royal), Katherine Widick, PQ (Pr. Banker), Sandy Goodman (Pr. Zuliema), Shannon Foster (Pr. Chaplain), Judy Schultz (Pr. Badoura), Nancy Clem (Attendant), Queen Casey Wonders, Jane Buttrum (Attendant), Kara May (Pr. Marshal), Cindy Zeller (Pr. Nydia), Kathy Stewart (Pr. Tirzah), Sarah Joyce (Pr. Zenobia), Keyair Denton (Pr. Zuliema), and Cheryl Ray (Lady of the Keys and mother to the Queen).

We also were pleased to honor Past Queens and 50-year members at our September Stated Session. Present to receive her 50-year pin and Stepping Stones to Happiness was Jean Rickard, PQ, pictured here with Queen Casey. Also achieving 50 years of membership in 2020 were Carol McCormick, PQ (who was present for the meeting via Zoom from Connecticut!), Beverly Basing, Joyce Schmitt, Doris Unsel, and Emma Lou Woods. Thank you, ladies, for your continued dedication to Daughters of the Nile, and congratulations on achieving this milestone.

SEWING & QUILTING

Greetings ladies,

Our group is not back to quilting at the Shrine at this time. We are staying cautious and do not want to put anyone in jeopardy. We all miss seeing each other but know it is for the best. Some of the ladies are still working at home on items for the hospitals. If you are interested in working with our group on home projects as well, give me a call!

Greetings from the Egyptian Band! I hope everyone is well during this pandemic. We are currently accepting new members to our unit. Please contact me or any member of the band to complete an application for membership. You do not need any previous musical experience to join us! Unfortunately, we have not had any performances to report on or any upcoming events as this pandemic continues.

PRINCETON NILE CLUB

The Princeton Nile Club met September 8 at R'z Café in Fort Branch for lunch and our quarterly business meeting. Jr. Past Queen Cheryl Stader; Past Queens Nancy Markham, Judy Peak, Jean Rickard, and Shirley Sheets; Recorder Joyce Giolitto; and Ladies of the Household Debbie Bryant, Terri Cheesman, Nora Miller, Lynn Shoulders, Myra Whipkey, and Judy Williamson were welcomed by President Nancy Clem. The club had purchased 8 Stepping Stones to present to Supreme Queen Heather Krastins Lambert at her official visit to Isis Temple. Since it was a virtual visit, the certificates were mailed to her. Ruth Dunning lost her son on July 5, and a sympathy card was sent to her from the club. Thinking of you cards were sent to Elinor Falls and Ruth Dunning. Members voted to give \$100 to the Holiday Giving Program in December.

The next meeting will be December 8 at R'z. We will have our annual cookie exchange, so each person is asked to bring 3 dozen cookies or candy to share. Take-home bags will be provided. The meeting was closed with this thought: "Our flag does not fly because the wind moves it. It flies with the last breath of each soldier who died protecting it. Never forget...September 11, 2001."

Why Is Membership Important?

Are you someone who can make things happen? On the other hand, do you just sit and watch someone else do everything and just follow their lead, whatever they want to do? Well, either way that is ok! We all count, and we all make a difference! If your end result is staying the same, then maybe it's time to make a change.

Think about this...do you know some ladies who were very active in our temple at one time? They were faithfully helping at all events, and you could always count on them. Then, through whatever means, you did not see them anymore. Can you recall their name(s)? Do you still see them from time to time? Do you know how to get in touch with them? Maybe it is time for you—yes, you—to reach out to them. Did they quit helping because they felt unappreciated? Or did they not feel as if they made a difference? Maybe no one ever said to them, “thank you” or “job well done.” Kindness goes a long way!

Very few subjects stir so up many feelings as not feeling appreciated. Let's make a change and appreciate who and what we have at our temples, and let's contact those who haven't shown up for a while and see what's going on with them. When you reach out to help someone else, it is good for your heart.

Do you know ladies who could be reinstated in our temple? Contact them and ask why they left in the first place. Let them know by being members they will make a difference.

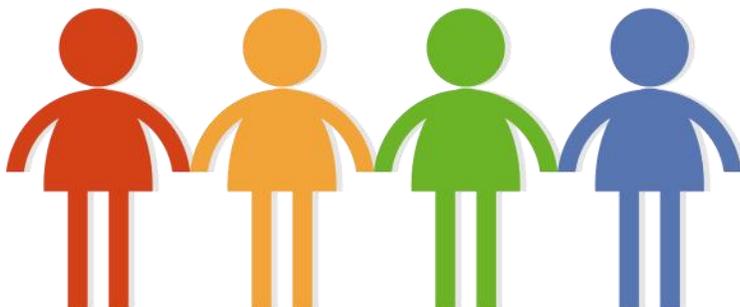

It's ridiculous for us to think, “I'm just one person, what can I do?”, or “I've done my time, and I have donated a lot in the past.” We cannot stop being active or encouraging people to participate. We need members to keep us alive. Never underestimate your impact on other people. Everyone is important! Each one of us makes a difference!

Do not put off today what you can and need to do. Sometimes tomorrow never comes. Take the time to find out what really matters. Today I called four members who had not been active to see what is going on with them. How surprised they were to hear from me! It did my heart good. During our conversations, I asked why we had not seen them in a while, and their excuses were normal...busy with family and health issues. I told them we were working on a membership drive and wondered if they had relatives who would be interested in joining. Their response was, “oh, they're too busy.” I asked them, “Did you know that because you pay dues you make a difference in the lives of the Shriners Hospitals children?” The children are not going to wait for us to be ready. Their illnesses and medical problems go on. We must continue to help! No matter who is paying dues, it is helping and making a difference, even if you cannot find the time to attend.

We owe it to the children of Shriners Hospitals for Children. Make a difference because you can!

Isis Temple No. 41 Honored Again as Major Donor

Once again, Isis Temple No. 41 has been recognized as a major donor to the Daughters of the Nile Foundation for 2019. Queen Casey Wonders had the honor of attending a reception via Zoom where the major donor temples were recognized. The meeting was recorded and will be posted to the Foundation website soon, and the Foundation will be sending our plaque by mail. It will be added to the display case on the second floor of Hadi Temple when it arrives.

All total, our temple donated \$10,396. Great work, ladies! Your gifts to the Foundation make such a difference for the patients of Shriners Hospitals for Children.

For updates and ways you can give, visit the Daughters of the Nile Foundation website at: <https://donfdn.org/>

DAUGHTERS OF THE NILE FOUNDATION HOLIDAY SHARING PROGRAM

Please don't forget to be very generous in your giving to the Daughters of the Nile Foundation this year. Even though we are in a pandemic, the hospitals still need our funds to survive. Without in-person meetings, I am sure that donations are down. You can shop online anytime with the My Gift Foundation program, and please don't forget about Stepping Stones to Happiness and the Rose Garden program. Visit the Daughters of the Nile Foundation website at <https://donfdn.org/shop> to get started. Let us continue "working together for the children." I also have order forms for items from the Foundation Gift Store if you are unable to shop online. One of the newest items available is the 2020 Christmas ornament, pictured here. More items from the Gift Store are pictured below.

2020 Christmas Ornament: "Neith"

The Foundation is understanding of the circumstances we are all facing at this time, so this year our Holiday Sharing program means more than ever.

Your contributions to the Holiday Sharing program play a large part in our annual donations to Shriners Hospitals for Children. While purchases from the Foundation Gift Store go toward the endowment, donations for the Holiday Sharing program are directed to the Foundation's Convalescent Relief Account (CRA). The total balance of the CRA is donated directly to Shriners Hospital for Children every year. Any amount of contribution will help the Foundation make its goals. The Foundation will honor the top three Holiday Sharing contributing Nile temples in four categories, and award certificates will be presented at the 2021 Supreme Session.

Please remit your Holiday Sharing contribution by December 7, 2020, in order for Isis Temple to meet its deadline for all contributions to be accounted for and delivered to the Foundation. If we meet in person in December, there will be a drop box for Holiday Sharing donations at the sign-in desk. If we cannot meet, please send your donations in to Pr. Recorder Joyce Giolitto at 6919 Pinehurst, Evansville, IN 47711. If you have any questions, please contact me!

Due to the continued spread of COVID-19 in Vanderburgh County, many meetings are being held online instead of in person for the safety of all our members and loved ones. Please watch your email for details about virtual meetings. And remember...you do not need a computer with a camera—or even a computer at all—to join a virtual Nile meeting! A phone number and meeting code are always included in the email invitation so you can join by phone instead.

If you don't have email but want to get the online/telephone meeting details, please contact Nancy Markham, PQ, at 812-909-2090 (leave a message) or Queen Casey Wonders at 812-454-4676 (call or text), and one of them can give you the phone number and code to join the meeting by telephone. Our virtual meetings are **accessible to all members**—not just those who are used to using a computer!
