Fellow Officers and Ladies of the Household,

Happy New Year! I hope the New Year brings you health, happiness, and small daily joys. As I reflect on Nile year 2022, I think this year's theme, Together We Can Do Great Things, resonated throughout our Temple and activities. We at Isis Temple No. 41, Daughters of the Nile, have a lot to celebrate. We accepted 18 new members into our beautiful order. We've seen great success with our fundraising efforts. Our events not only raised considerable money but were lots of fun. We had a strong presence at Supreme Session in Dallas, TX. Both the Egyptian Band and Patrol had successful West Side Nut Club Fall Festival booths. Our Card Party by Mail profits allowed us to purchase three cranial remolding helmets for the St. Louis hospital Pediatric Orthotic and Prosthetic Services (POPS) program. We welcomed and entertained Her Supreme Majesty, Vickie Tabor Hill. We experienced great teamwork between Nile members and Hadi Shrine Nobles while working the 88th Shrine Circus Ticket Office assisting with circus ticket sales. We recognized four ladies who have held membership in Isis Temple No. 41 for 50 years. We recognized our Founders Day by learning facts about our founding from seven of our officers. Many members and friends attended the Derby Dinner Theater in Clarksville, IN, to see Irving Berlin's White Christmas theater production. The bus transportation for this social trip was sponsored by a generous donation from the

Hadi Motor Corps. Sadly, we grieved and memorialized those members who passed away during 2022. We sent our Jars of Hope donations to the Daughters of the Nile Charitable Giving Fund. And we presented a substantial financial gift to the Daughters of the Nile Foundation, which as you know benefits Shriners Hospitals for Children. I would say we've fulfilled this year's motto of Live Well, Laugh Often, Let Love Grow with Friendship. It is always a delight to see the new members, along with the established members, attend Stated Session and participate in our events. Hospitality is the heart of who we are as Daughters of the Nile. You have been generous with lending your time, talents, and resources to make Isis Temple No. 41 great. You have invested personal involvement in reaching others to encourage participation and financial contributions. I want to express my sincere appreciation for your support and partnership.

Queen's Message, cont.

Let's celebrate. I want to give a hearty round of applause to our Past Supreme Queen, Past Queens, 2022 Officers, Ceremonial Assistants, pro tems, committee chairs, and every one of you. Let me thank each of you who served on a committee in any way. You individually and we collectively have made this year a success. Ultimately, the children receiving care through the Shriners Children's health system will reap the benefits of your unwavering support, energy, and generosity.

I offer my deepest gratitude for the work you do in serving Isis Temple No. 41 and our Supreme Temple and your continued work to make the world a better place. I look forward to the joy and growth that 2023 will bring!

Princess Tirzah Kara May

Ladies of the Household,

Pinch me, for I cannot believe that another year has passed. Remember when we were youngsters and how we wished our lives away? We couldn't wait to be 13 and becoming a teenager, 16 when we got our driver's license, then graduation from high school and/or college. It seemed to take eternity to reach each of these small milestones of life. Now that I am slightly older, I would love to rewind time or slow it down a bit. But the one thing about this past year that I am thankful for is that I got to share it with all of you amazing ladies and what memories we made together.

To kick the Nile year off, we honored Queen Kathy at her installation and her addendum that followed. It took me weeks to get the tune of Margaritaville out of my head, thanks to Pr. Royal Judy. Then we took flight, going to the big "D" and I do mean Dallas. This trip gave me the opportunity to meet my counterparts for the first time since COVID reared its ugly head. The 4-H Fair has always been a fun event, and I look forward to it every year. And what about our Steak Night? You would have never guessed this was our first attempt at this, for everything ran so smoothly, and what a turnout!

Ladies, my term as Pr. Tirzah is coming to an end, and what an honor it has been. I must admit I will not miss counting all the individual shampoos, conditioners, lotions, and soaps. Word of advice to Pr. Badoura: when you become Pr. Tirzah, don't wait until you have a bunch of shampoos; send them to the hospitals as you receive them. Ladies, your generosity is appreciated and does not go unnoticed. With that being said, I have enjoyed my year as Tirzah, and it would be a great honor to serve Isis Temple as Pr. Royal.

Nile love and hugs,
Kara May, Pr. Badoura

Princess Badoura Andrea Peters

Warm winter greetings, Ladies of the Household!

I truly hope that you have had a wonderful holiday season with your loved ones. Our kids have made the holidays truly memorable for us; it is pure magic to celebrate through the eyes of children.

When y'all told me this year was going to go fast, I had no idea what you meant!! It is hard to believe in a few short months my term as Princess Badoura will be over. To say I am excited about the next step is an understatement. This year was filled with so many memories that I know 2023 will be as well. A few of the highlights while serving as Pr. Badoura include: my first Supreme Session, the Steak Night fundraiser, Circus ticket sales, working the 4-H Fair concessions, and, most importantly, getting to know each of you a little bit better while doing good work for the order.

All in all, ladies, this year serving as your Pr. Badoura has been one of the most rewarding things I have done, and I am looking forward to the next station in my journey with Isis Temple. May God take you under his wing to love, guide, and protect you.

Nile love and hugs,
Andrea Peters, Pr. Badoura

ISIS TEMPLE PATROL

Isis Temple Patrol meets the second Monday of every month except for June, July, and August at 7:00 p.m. This past year we learned a new routine and had the pleasure and performing at the Supreme Session 2022 in Dallas, TX. At the Supreme Session we were granted the honor to be part of the honor guard. In July we worked the 4-H Fair, which is always a great time filled with comradery and laughter. At the end of September, we start preparing brains for the upcoming Fall Festival. For the first time we sold out of brains on Friday by 3 p.m. and our final sale was at 11 a.m. on Saturday. All in all, it was a great Fall Festival.

We had two members, Joyce Giolitto and Jean Rickard move to social status, and on a sad note we lost social member, Jerry Brenner. Let's keep her family in our prayers.

We will have our election of unit officers on March 13, 2023.

EGYPTIAN BAND

Greetings from the Egyptian Band!

We hope everyone had a wonderful holiday season with family and friends. The Band traveled to Dallas, TX, in June for Supreme Session as the designated unit. When not attending meetings, everyone was catching up with old friends and meeting new ones. Members worked at the Vanderburgh County 4-H Fair in July. We had lots of fun. We welcomed and performed for Supreme Queen Vickie Tabor Hill in August at her official visit. The weather for the Fall Festival was perfect in October. We all put in many hours for this fundraiser. A big thank you goes out to Queen Kathy and everyone who volunteered at the booth. If you are interested in joining the Band, contact a member. Have a safe and happy New Year.

Nile love,
Janie Buttrum, President

PRINCETON NILE CLUB

The Princeton Nile Club met at R'z on December 13 with 24 in attendance. Queen Kathy Stewart and nine of her Officers, five Past Queens, and nine Ladies of the Household were welcomed by President Nancy Clem. The Thought for the Day, "A Christmas Letter from Jesus," was read. It was announced that eight Stepping Stones to Happiness had been presented to Supreme Queen Vickie Tabor Hill during her visit, and a check for \$150 was given to the Daughters of the Nile Foundations Holiday Sharing program at the December Stated Session. Officers were elected for 2023: President, Nancy Clem; Vice President,

Millie Rumble; Secretary/Treasurer, Terri Cheesman. Meeting dates for 2023 were announced: April 11, Installation of Officers; June 20, Auction; September 12; and December 12, Cookie Exchange. Queen Kathy and President Nancy were presented gifts from the Club. The meeting closed with an Irish Christmas Blessing. Then the BIG event of the day was our Annual Cookie Exchange, which also included some candies as well. Everyone took home a generous amount of delicious goodies!!! Happy New Year to all from the Princeton Nile Club!
Nancy Clem, President

HAVE YOU READ THIS?

As I sit down to write this, I wondered, does anybody read these monthly membership articles? We are hoping that they are an inspiration to some of you. If not, then we're doing it all wrong. As they say, you can't keep doing things the same way and expect different results.

We all need tools to work with. Think how far society has come in the last 100 years. Most people do not realize or appreciate that the poorest American today lives a far better and more comfortable life than the richest American did 100 years ago, by any measure: life expectancy, health, medicine, comfort, devices, food, clothing, heating, even transportation, I could go on and on. However, the biggest change to improve our lives has been the development of the internet. Overnight the internet gave us untold information with the tap of a finger. Now most of you use the internet to communicate with friends, family, and acquaintances, even if they are thousands of miles away or just across town. This is not costly but does require your time.

Being a Daughter of the Nile is not costly. That depends on you and how involved you want to become. Being a Daughter of the Nile is not time-consuming. That also depends on you. Being a Daughter of the Nile that supports membership is depending on you. We need your help! All Daughters of the Nile should be reminded they are on the membership committee. You have the tools to make this organization succeed! Your faith in Daughters of the Nile is what keeps us going and growing. Your camaraderie with the Daughters of the Nile women is what you should share with your relatives, friends, and people you know who are eligible to join us. Always, take your tools with you, wear something with a Nile emblem; someone will ask what the symbol means. Always have a proposal with you. Do you have the 10 Questions brochures? Ask me or Pr. Recorder for these.

Our future depends on you! Our Shriners Hospitals patients rely on our support.
